PRODUCTION SPECIFICATIONS

Preferred Method of Ad Submissions: CD with ad saved as a pdf, tiff or eps with embedded fonts is accepted. All artwork, including logos and all linked graphic files are required at 300 dpi resolution; 600 dpi is preferable. Color format accepted is CMYK (Pantone and/or Spot colors will not be accepted). If submitting a Quark, Photoshop or Illustrator document, please include all linked graphic files, as well as, all screen and printer fonts (True Type fonts are undesirable).

All ads should be accompanied by a color proof or color print-out. If a color proof is not submitted with a color ad, we will not be responsible for color accuracy.

Ads Created In-House: Original artwork may be submitted for use to create an ad in-house for a minimal charge. Ask your sales representative for a quote. All ads created in-house will be approved by the advertiser.

Full Page: 7.125" x 10" (live area)
